Major General Gordon A. Blake  
Commander, USAF Security Service  
Kelly Air Force Base  
San Antonio, Texas

Dear General Blake:

I would like to say again how favorably impressed I was during my short visit to the Security Service. It was a pleasure to meet you and your associates. I am especially grateful to Colonel Evans and Lt. Colonel Small for the stimulating and efficient picture of the Security Service that they gave to me during my stay.

Sincerely yours,

William A. Tidwell  
Assistant to the DD/I (Planning)
